## Inspiring Kids to DREAM BIG

### An unforgettable day of fun, interactive learning, and inspiration

For Kat Kronenberg, any day spent interacting with and inspiring kids is a good day. In her signature “Let’s Dare to Dream” school visits, the author of *Dream Big* offers educators a flexible mix of activities that capture the kids’ imagination, inspires their dreams, and enriches them to raise their ambitions.

Kat’s school visits can meet the needs of any age group, and they feature playful readings of her book, augmented with different activities from The Fun & Learn Section of her website, Common Core discussions, and energetic sing-a-longs if someone in the crowd can help Kat carry a tune.

It all adds up to a day of learning about animals, building a stronger “WE,” and articulating a dream to strive for that kids will never forget!

### Meet Kat

Kat Kronenberg is a mother, author, and a born-and-raised Texan who believes that children grow strong and successful by dreaming big and developing skills to reach those dreams.

Kat’s “Big Dream” *whooshed* into her life ten years ago while attending a symphony with her husband: to write a book about a smile that would encourage people to live their best life filled with connection and kindness.

Over time, she developed the concept of CATCH-M to represent hope and act as a guiding light through the extremes of chasing a dream. Kat realized her dream in January 2017 with the publication of *Dream Big*, which she hopes will inspire two-leggers (people) of all ages, all around the world to chase their wildest dreams.

Kat lives in Austin, TX with her husband and is the proud parent of two amazing boys, two beautiful adopted nieces, two extraordinary grandchildren, and three four-legged friends.

## About *Dream Big*

Kat's debut children's book demonstrates that together we can all be inspired to identify and pursue our dreams, no matter how big or impossible they may seem. Set long ago in the heart of the African savanna, this richly illustrated book follows moody Baboon as he discovers a powerful secret.

One by one, Baboon's animal neighbors gaze up at the night sky and wish upon a star for their wildest dreams. Though he insists these dreams could never come true, Baboon soon realizes that a transformative power exists between the stars and the animals once they truly believe in themselves and their dreams. When Baboon tries out this secret, CATCH-M, his Magical, Mystical, Wished-Up Star, *whooshes* down from the heavens to *wham!* ignite the courage in his chest too, and what happens next is fantastic!

*Dream Big* is available for purchase at all major bookstores. Please email Kat to discuss travel details and book discounts offered in conjunction with school visits.
