

CELEBRATE THE WONDER OF THE STARS

"As we let our light shine, we unconsciously give other people permission to do the same." -Nelson Mandela

Decorate your star. Cut out. Place somewhere, possibly hang over your bed or in a classroom, to remind yourself & everyone to invite The Magical, Marvelous, Miraculous Wonder of The Stars into their life! And LET YOUR LIGHT SHINE!

"Magical, marvelous, miraculous stardust lives above us, around us, and within us all, hoping we smile big and believe so that we can ignite and invite it's infinite power into our lives." -Baby Baboon
